Finally a contest to win the litecoin award! Posting to enter, changing my sig now :)

Hope I win, thanks Incendiary.

EDIT: wait what? 15th January is 2 months, for only a \$20 award? I think the sig should only be required for 1 week to be fair

Posting to enter the contest. Good-luck all.

James Burnham - November 24, 2015, 3:54 am

Posting to enter the contest for the emerald award.

But yes, for 20\$ award a month is too much. This is more of a cheap advertisement for your product than a members contest. Good luck to everyone.

You can get whatever coin you want (apart from BTC).

I will have to source the currency first, so it wont be instant :)
