Warning: Do NOT deal with this guy. He is just plain stupid and I don't think he has any idea what he is doing. He is VERY rude and I would NEVER deal with him again personally or recommend anybody else to. DEAL WITH CAUTION IF YOU DO.

In red, because believe me, you dont wanna deal with this guy. I asked him for a deal and he replied "Am I Fuck." and then neg repped me saying "Don't waste my time, kid". He comes off as suspicious too, not recommended, DWC.

You called me a kid so I might as well act like one now and let others know that you are not trustable.

You called me a kid so I might as well act like one now and let others know that you are not trustable. Just want to clear something up with this kid. Messaging me with deals that are in no way what the thread entitles is pointless, hence my reply to you. I am a trusted exchanger, make a reasonable deal and you'll be able see that. Clearly says 10% rates, and in the thread it says small deals, like your \$40 deal, may be different. You offered 2.5% for a small amount. This user is just hurt I negatively repped him.
Still open for deals. ?

Regardless of whatever he is saying, I will let you know that he is very fishy and I have had friends deal with him in the past who disliked him a lot too.

DO NOT DEAL WITH THIS GUY. THERE ARE WAY BETTER PEOPLE OUT THERE AND I RECOMMEND YOU GO WITH SOMEONE ELSE, NOT WORTH THE RISK IMO.
