What's up HackForums!

I wrote an eBook explaining exactly how you can crack Instagram accounts. The guide covers everything you need to know and includes all the resources you need!

The eBook has 3 pages of useful information, after reading this you'll be ready to hack into all your friends Instagram accounts!

This ebook is only* available for L33Ts and UB3Rs. Interested? Just shoot me a PM and I'll send you the eBook as soon as possible!

Including:Instagram Cracking Tool
Password List
Proxy List
Cracked RDPs

What you will receive:

* Attention Normal Members: If you really want my ebook but you're just too poor to buy an upgrade, PM me.

PM me to get this!

Cheers ?

GTH - November 28, 2015, 5:33 am

Thanks for the quick reply, and the great info! I haven't tested it yet, but it has definitely got me thinking in some new ways as well as using some new techniques that I hadn't thought of before that help cut down on time with some of the more simple everyday things that I never would have expected this to cover in a way that it did. Thanks again!

420 - November 28, 2015, 10:47 pm

Got the cracker, still haven't tested it. Thank you very much.

MD5 - November 30, 2015, 3:27 pm
