Thread: [Twitter Suspended - School](#)

"Hitler" - November 25, 2015, 5:21 pm

So basically I have @"InsertMySchoolDistrictNameHere" and my account ended up getting suspended I tried to appeal and they replied with

Hello,

Your account was permanently suspended due to multiple or repeat violations of the Twitter Rules

This account will not be restored.

Please do not respond to this email as replies will not be monitored.

Is there any way to get this account unsuspended?

R2GP - November 25, 2015, 5:24 pm

No, they even said, 'this account will not be restored'. I don't see any reason as to why you want that username so badly.

ST34M - November 25, 2015, 5:24 pm

You're fucked then. No way of getting that back bro.

"your" ?

Anyways, like they said, you're not going to get the account back.

Is it really that big of a deal anyways?

Complain, or say you're entitled to the username, insist you didn't violate the rules, or at least ask why.

Abel Tesfaye - November 25, 2015, 6:56 pm

why would you have your school district as your user?

SoulHarvester - November 25, 2015, 6:58 pm

I'm going to make a wild guess and assume you posted retarded shit in your schools name.
