Thread: [Blockchain Website DOWN](#)

ShNuG - November 29, 2015, 12:26 am

hey,

Blockchain website is down atm. Is it same for you guys too ?

<https://gyazo.com/fd5d93ebc670233d7f797a67920239c0>

I think I'd have to move my coins from blockchain to hardware wallet for more security !

Green crack - November 29, 2015, 12:27 am

It's down for me too OP

I'd have to agree with you.

Ash Ketchum - November 29, 2015, 12:27 am

pick it up and take it to the medics it's your only option

iFinessed - November 29, 2015, 12:28 am

not to be that guy but theirs already a thread like this

<https://hackforums.net/showthread.php?tid=5075152> its being ddosed

Joshmills - November 29, 2015, 2:08 am

Yes he downed coinbase and now new egg check twitter

Exodi - November 29, 2015, 2:09 am

Not down for me. Hehe oops.

iFinessed - November 29, 2015, 2:16 am

The Illusionist - November 29, 2015, 2:43 am

Blockchain had some problems over the past few days, it was down for a 30 min like 2 days ago.

PrivateDonut - November 29, 2015, 2:44 am

I remember it went down for like a few hours not to long ago, and everyone freaked out, talking about how it was some exit scam, etc. I got a pretty good laugh out of it.

ShNuG - November 29, 2015, 5:20 am

Well its back up now ! Someone was hitting them pretty hard I guess...

VitoJ - November 29, 2015, 12:37 pm

For me it isnt down but i cant log in to my wallet

McFREAK - November 29, 2015, 3:51 pm

Yeah I recently switched to coinbase for this reason

topdog77 - November 29, 2015, 4:10 pm

still down for me :(sighhhhhhhhhhhhhhhhhhhhhhh

Mcbride - November 29, 2015, 4:22 pm

i switch ISPs and voila, blockchain is back.

Annointed - November 29, 2015, 6:40 pm

It's still down for me for some reason.
