Thread: [Custom Sentry MBA Configs | 3-8\\$ Per Config | PP & BTC | Crack Accounts to Any Site](#)

Villezzai - November 29, 2015, 2:53 am

Hey. So i'm selling custom Sentry MBA configs. I can make config to any site except Instagram, Teamviewer, Dropbox, Starbucks and Subway.

Prices

- 3-4\$ for smaller/easier sites.
- 5-8\$ for bigger sites, like PSN etc.

Features

- Private, not shared with anyone else.
- These configs will be proxyless if possible.
- Capture
- If your config stops working for some reason i will fix it for free.
- If config is not proxyless, i can provide really good proxies.

Contact & Payment Method

- PM me here on HF or add me on skype: villezzaii
- Paypal & BTC

I recently got a new config from OP, everything seems to be working perfect. I'll be sure to leave a more detailed review once I get some hits. ?

Thanks for the feedback!

Still few vouch copies available.

Vouch for Villezzai! The config file I got as a vouch copy lucky, was working flawlessly, and it was proxyless which is great!
