Thread: [SnapSave Method - No App or Jailbreak, No Screenshot notifications.](#)

Views - November 29, 2015, 5:25 pm

giving away my own personal method of saving snaps without people being notified it's extremely easy and anyone should be able to do it without an app or jailbreak it's for chat and pictures, post below or send me a PM and I'll give you my method.

updated the method, now only involving one snapchat account, comment below or PM me for the updated method.

i want :)

thanks!!

wonder if it works

c x y k - November 30, 2015, 1:00 pm

I mean two feasible options:

- Take a picture with another device
- App switcher, take screenshot

Deathy - December 1, 2015, 2:58 pm

Please PM me this method. :)
