Thread: [Funtela's Free Middle-Man Service!](#)

funtela - November 29, 2015, 6:36 pm

I'm tired of seeing people get scammed. It seems to be happening more and more every day. I'm offering a completely free middle-man service. No matter how small or big the deal is. Now you guys won't have an excuse for those who "don't wanna pay a MM fee".

Stay safe when dealing guys.

When confirming the deal I'd like to ask both parties to PM me the deal.

It's good to see a trusted user offering a middle man service. But isn't the whole thing " post below", etc isn't allowed?

Haha I don't think you can, as it's different with the xbox cards, as you can check it out before redeeming them.

Yea bro. I just don't hold onto the product itself. Only the payment. And only if the payment is BTC. I don't hold PayPal payments because it's a huge risk on my end.
