Thread: [Should i buy Absolute Crypter?](#)

Spyloterror - November 29, 2015, 6:50 pm

ok so i am looking to spend 25 max on a crypter so what should i buy? i have a desire to get absolute but wondering if i should or go with a different one
please note i need extremely high fud times and dont really need a lot of features but lots of features would be nice :) thanks
