or you could just comply to terms of the contest and not add nonsense to the contest thread and remember the no fake giveaway rule, it takes literally 20 seconds to spout a nonsense story

Jim entered the room. It was dark and mysterious, however there was a single beam of light that seeped through a crack in the wall. "Pow Pow Moey" yelled the cat. "Chow chow pang doey spoey" said Jim. Jim and the cat seemed to have some kind of magical connection that no other could poses, it was fantastic.

There is my entry for your competition, good luck everyone.

welp there proves mr cat wrong lol, i would have complied if you actually complied to the simplistic rules of the contest and asked after an entry.

THE HOUSE ATOP THE HILL

It was a warm, but dark winter night, the wind was howling a low gruesome moan, as if it was a ghost and there was an unexplained sense of danger in the atmosphere.

Neo, and two of his closes friends Todd and Weasel who also attended Furry High had made a bet that they could spend one night in the house atop the hill in their neighborhood. Many stories of the house being the location of numerous murders had been shared among the halls of Furry High, and Weasel being himself, accepted a bet to stay there overnight by his crush Sally, one of the evil spawn in the cheer-leading squad; if he was successful, she would give him a kiss.

They all tell their parents that they are all sleeping over at each-others houses so their parents don't suspect their absence. They gather the belongings and any food they may need for the night then they all head out to meet at the town hall. Neo looks at the clock and notices the time. "Crap! it's almost midnight" he says to himself as he walks at a very fast pace towards the town hall.

Once they all arrive, they all try to reassure one another that it is the right choice. "Are you sure we should be doing this?" said Todd, "Of-course! it's the only way I can get Sally to notice me..." said Weasel. "Well, you both make a good point, but I'm with Todd on this one. It doesn't feel safe." said Neo. "Well I don't care! I'll do this alone if I have to!" said Weasel as he stormed off towards the gated entrance of the house atop the hill.

"WAIT!" shouted Neo, "I'll come with you!" he said as he jogged after Weasel. Todd stands where he is, with a confused look on his face, before realizing he won't be able to go home even if he tried;

he followed behind them and said "Guys! wait for me! I can't leave you lot to do this alone."

Weasel, Neo and Todd had arrived at the front door of the house atop the hill after climbing up the hill for almost half an hour. "Oh my god, I'm so tired! did anybody bring water? my bag was too full." said Weasel, "I think I have some in my bag, but you guys seriously need to hit the gym, I basically carried you two up here!" said Neo, as he gave his water to Weasel. "Thank you so much! I could bloody kiss you right now!" Weasel said to Neo as he moved towards him, "No! that isn't necessary... Or maybe a lit... nevermind" said Neo with a sense of confusion and embarrassment.

Without Neo and Weasel realizing, Todd had already opened the door and walked into the doorway of the house, they heard the floor boards creek with every step Todd took which gained their attention, as they soon followed him inside with an unsure, frightened look on their face. Neo and Weasel looked at each other, "You go first?" said Neo, "Fine, scaredy-cat" said Weasel as he began walking in with an odd smile on his face. "BOO!" shouted Neo. "OH MY FUCK! what is wrong with you!?" screamed Weasel in shock.

!!!!!!!!!!!!!!!!!!!!!!* THE DOOR SLAMMED SHUT BEHIND THEM *!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Todd, Weasel and Neo were becoming scared, as they walked blindlessly around the room in the dark, until Neo found the light switch, and pulled it, lighting up the room.

I may finish this lol, I'm interested in knowing what happens!

ANALBEADS said Zora. As the doctor was extracting those wonderful brown small beads from the Anus of Zora, He had a vision... He saw that people were going to have the ANALBEADEIROPHYTIS, He already started to work on the cure. But, The Disease had already been released! Doctor worked hard. Harder. He got more deeper inside the disease. The disease could not survive the deepness... As the Doctor noticed the death, he said "FUCK YES! I FOUND THE SOLUTION" but, How he will spread the cure. In deep thinking, He saw his mother in his mind. He talked to her. talked about the disease. Told how deep he went. but no avail. His mother was a image.

Zora was making some creampie for the doctor. She was in debt of him saving her from ANALBEADEIROPHYTIS. As she took the creampie with her, she suddenly made up a idea. might continue it... huehuehue

wo guys are driving through Alabama when they get pulled over by a state trooper. The trooper walks up, taps on the window with his nightstick, the driver rolls down the window, and the trooper smacks him in the head with the stick. The driver says, "Why'd you do that?"

The trooper says, "You're in Alabama, son. When I pull you over you'll have your license ready."

Driver says, "I'm sorry, officer, I'm not from around here."

The trooper runs a check on the guy's license, and he's clean. He gives the guy his license back and walks around to the passenger side and taps on the window.

The passenger rolls his window down, and the trooper smacks him with the nightstick.

The passenger says, "What'd you do that for?"

The cop says, "Just making your wishes come true."

The passenger says, "Huh?"

The cop says, "I know that two miles down the road you're gonna say, "I wish that jerk would've tried that shit with me."

Far out on a desert plain, a clown sat on a rusty makeshift oil drum doing a shit. The makeup ran down his face as his explosive diarrhea hit him once again. In the back of his mind, he thought back to his great teacher. His words of wisdom echoed in his mind. "Clown shit is always funny".....the clown started to cry....
