Nobody will ever do 1:1 Amazon to PayPal.

Congratulations on your first client!

Good one mate. My first payment was \$10 PP, took me a few days to be honest.

Good luck and keep going.

The most you can get for PP - Amazon is 90% on Reddit's Gift Card Exchange. They are a pain in the ass with their "rules".

90% is the best you can get usually. try reddit gift card exchange i havnt been scammed there yet. it seems solid.
