Thread: [E-Whoring method + Adult & Dating cpa offers](#)

xbugitox - December 1, 2015, 9:04 pm

Edit: The network is up & ready, same with the guide / method that I will be giving. If you're interested in joining, feel free to contact me on Skype.

Skype: xbugitox

For those who PM'ed me on, just add me on skype. There are tons of PM's and I'd rather accept your request one by one rather than opening each messages and adding you one by one. lol

Quote:I'm planning to start a private network with adult & dating cpa offers that accepts ewhoring as a promotion method, as we all know 98% of the networks don't allow this but on this network, I will allow it. There won't be much offers for now but will be adding more offers in the future.

Minimum payout will be \$50

New affiliates will be paid Net30 then after that you will be switch to Net15

After getting paid on Net30, if you can generate \$500 within 14 days then you will be switch to Bi-Weekly

I will be sharing my traffic source and semi-autopilot method for this. It's not that new and maybe some of you guys already know this but it would easily help you and make you more money.

I've been doing this for years now, I've partnered with some of my friends but I've decided to start working on my own.

Here are earnings of the method that I'm using.

What does this entail?

I'd like to join but I'm clueless on how it'll work.

Well we all know ewhoring where you sell vids & pics for a certain price.

But in here, instead of selling pics & vids you will ask them to signup on a adult/dating cpa offer in exchange for the pics & vids. So it would be much easier to make money.

Hope this explain your question.

Tubecamgirls and a few other affiliates pay for chat traffic and have a lower payout minimum. What makes your network special?

rnunojoao - December 2, 2015, 7:44 am

Hm... Interested pming you now!

Tubecamgirls DOESN'T allow chat traffic but on my network, i will allow it. And also there's nothing special about my network, I'm just sharing what makes easy money to others that are struggling making money through eWhoring (by selling pics & vids).

Azeroft - December 2, 2015, 9:51 pm

Very interesting.... Pm me please

xbugitox - December 3, 2015, 2:29 am

Hey guys, currently fixing the network.

Will let you guys know when it's ready.

75% done - just testing the offers if they're converting and finishing hasoffers setups.

When im finish setting up hasoffers and testing the offers, i will be writing the guide/method on how i promote it with some traffic source that im using.

This is 100% guaranteed easy money for those who are struggling making money and also for those who are pro in this business.

Will post an update soon.

Ok I have added 3 offers for now for a drive test although more offers are on stand by with better payouts. This 3 offers are converting well on my side. Have tested them myself using my method.

Will be writing the guide later, need to rest a bit. I'm excited working with you guys.

Will post an update soon. ?

Genicus - December 5, 2015, 4:09 am

I've did adult cpa this way plenty of times, send me some proof, would it be PPL? PPS? REVShare? All of the above? your advertisers might dislike the fact you allow ewhore traffic since it wont convert well.

Already got that handled and it will be PPL. Proofs are already posted on first page.

Ok guys, the network is ready, same with the guide / method. Hit me up on Skype.

Skype: xbugitox

Great Suggestion - December 5, 2015, 8:32 am

How much are you getting out of it?

xbugitox - December 5, 2015, 8:50 am

Not much since they allowed us using ewhoring in promoting adult/dating offers. But this is a great opportunity to start earning some good income.

Guarantee that this method is working, here is another proof of this weeks earnings.
