Thread: [Scammed By #TeamStark/ #moNster | UID:2694842 | 550\\$](#)

K?i?K - December 2, 2015, 9:12 am

Alas, Another Scam report i have to file. This is the last time i'm going first to anyone.

So basically a lot of people already know what happened. I was buying an Instagram account off Monster, He was selling it for 500\$ to someone else and we agreed upon 550\$ paypal for his Instagram account @Bestseniorquote.s

User Link: <https://hackforums.net/member.php?action=profile&uid=2694842>

His thread: <https://hackforums.net/showthread.php?tid=5070200>

He was a pretty trusted guy on FK, so i thought it wont be a problem going first.

Another problem was Paypal does not allow to send money in my country due to some restrictions. So i asked one of my friend to send 350\$ to his paypal, and the rest 200\$ i was gonna get exchanged(My BTC->PP) on HF and get sent to him.

Proof of money being sent:

I sent the payment on 30th November 2015, Since then the guy hasn't been online. I found his KIK and tred to contact him but he isnt repyling.

Also, I can't find the instagram account anymore on instagram. It is disabled or the name has been changed.

I Doubt i'll get what i paid for anymore.

Brahma™ - December 2, 2015, 9:21 am

Chargeback the money. Worth trying IMO.

Griev?us - December 2, 2015, 9:24 am

Knew this was going to happen; a shame you had to be the one effected by it.

Remember my offer though ?

rubmybellynow - December 2, 2015, 9:25 am

Every day I see shit like this on HF.

Makes me more nervous to deal on this forums.

Goodluck OP. I hope you get your \$\$ back.

Then get X owner of the PayPal to chargeback.

Since when is HF FK?

Brahma™ - December 2, 2015, 9:28 am

He was quick to respond. But yeah this is what I was asking you to do.

I wish i could. His paypal account is his lifeline, He sent through friends with that ugly note, It will probably get his paypal limited.

Ongoing - December 2, 2015, 9:32 am

The Kik messages that you sent him, were they delivered? I'm only asking because he hasn't been on FK since the 29th and he hasn't been on here since the 29th, so I was thinking there would be something going happening on his side. Not backing him up or anything, sucks that you lost money, again. ?

Explain the case, you had two payments sent to him between different people, right?

Adoc - December 2, 2015, 9:33 am

You went first to an user with 89 rep for \$550? come on mate, I feel sorry for your loss but.... why

Yeah they are being delivered instantly. He hasn't opened them though.

The Host - December 2, 2015, 11:28 am

It's sad to see someone HQ like you getting scammed constantly. It's a shame.

Hopefully it's a misunderstanding from monsters side. (If I'm not mistaken wasn't monster banned before on FK, then got unbanned)

One was through me (BTC->PP)

I could maybe claim unauthorized, but it'd fuck me over since I'd just moved.

Can't CB due to it being from balance.

I have suggested something to KIK. If you can't do anything about it due to whatever reasons that I am not aware of, at least KIK can ensure that this motherfucker gets what he deserves with the simple method I told him last night.

FRANKIE - December 3, 2015, 10:00 am

That really sucks man. Makes me skeptical about buying IG's

That's the main reason i cannot force you or my friend to CB, I would suck to see either of your's paypal getting limited.

That friend was me. KiK and I co-own a bunch of stats together, and Luis is an idiot. He was a good friend of mine so I know a lot about him. If anyone would like to help us out, please PM myself or KiK. This is pathetically sad.

He hasn't been online for a while lol.

Either his busy or he made a temporary account and reading this thread. Messed up either way as he should just reply and said he had to do something

Buzy for 5 days after getting a payment? That doesn't sound realistic.

I guess he's just done with the forums. He was already too inactive on the other one.

His kik is geek.luis
so hit him up there to get a response.
If he scammed then GG to his reputation on all forums
