Thread: [10x 48 Hour Xbox Live Codes \[30 ENTRIES\] \[0 LEFT\]](#)

Ol' Dirty Bastard - December 3, 2015, 8:08 am

Hello everyone,

I have decided giving out to the HackForums community once again so I'll be buying 10 of these codes and giving them out to 10 lucky homies!

Requirements:

- Been registered for at least 3 months;
- Positive reputation;
- No scam reports open;

After the 30 entries are completed I'll close this and announce the winners after I let a random generator pick them!

Thank you!
