<https://www.gov.uk/shotgun-and-firearm-certificates>

After that, you can buy them from a store.

You must:

complete an application form

provide 4 passport photographs

have 2 referees for a firearm certificate and 1 referee for shotgun certificate

pay the fee for the certificate you are applying for

WarOnDrugs - December 3, 2015, 3:07 pm

Get a license and try not to be mentally deficient when you apply and do the tests.

Nima304 - December 3, 2015, 3:10 pm

Move to the US. Much easier.

everyone stop helping op

im scared now

he posted a thread about everyone should fucking leave him alone he said hes sick of his school

hes quiet and he fucking hates everyone and everything

i was worried after i saw the thread that he might do something

he junked the old thread

omni if you see this thread/read this

Either he is trolling or he is not but i am afraid he is serious, staff check his junked thread

i wouldn't take the risk and do nothing about this

edit: he just changed his username wow
