<https://hackforums.net/member.php?action=profile&uid=2420353> is a new HF L33T!

HF has been a nice little almost part time job recently of mine where I've made a good amount of money. I have HF only to thank for that nice little side income. My form of donation that I would like to do in order to give back to the community and HF is upgrading a member to L33T!.

Requirements:

- Positive rep (even if just 1)
- No scam reports (If they have been resolved maybe but really should have none)
- Account age must be at least 3 months (No super newbies, sorry)
- I will trust scan each entrant (Yeah...I will)

To enter just post in this thread. I won't really appreciate any PM's asking/begging for the upgrade.

Winner will be picked this weekend =)
