Thread: [\[CONTEST IDEAS\] PLANNING TO HOST 4 CONTESTS THIS MONTH \[CONTEST IDEAS\]](#)

Brahma™ - December 4, 2015, 9:23 am

I'll keep this short.

Planning to host 4 contest this month. Winners will be picked on new year's eve. I need ideas to make these contest fun filled. Something unique that has not been done before on HF. I am out of ideas so thought of exploring other minds.

I hope I made this thread in the right section. Pardon me if I didn't.

I am planning to host the contest for the awards underlined in the pic below:

If I pick your Idea, credits will be given in the contest thread.

I say give out the "Legalize it" award. Why? Because who doesn't enjoy puffing one some dank. You could start by gifting one to ya boy. ;)

Lol....well I enjoy it too but I dont have it on me as yet. It would be kool to give it out to someone before I get my hands on it. I'll give it through a contest only though. And I don't wanna choose a random, hence this thread to ask for ideas to make a fun filled thread which can help me to choose a deserving member.
