Thread: [Contact Lens 25% off + Free s/h + 5% credit + 8% Ebates + CIBA >=\\$10 Rebate](#)

Exemplification - December 5, 2015, 3:08 pm

So I was looking for contact lenses today and stumbled upon this combination. For those of you who buy them without insurance assistance (like FSA) like me it is quite a bit off.

The company is Vision Direct.

Rebates are available for select contact brands (CIBA) and quantities. I've included a list below of the brands and quantities.

Quote: Air Optix® Aqua 4 box purchase \$10
Air Optix® for Astigmatism 4 box purchase \$10
Air Optix® Aqua Multifocal 4 box purchase \$10
Air Optix® Night & Day® Aqua 4 box purchase \$10
Air Optix® COLORS 4 box purchase \$10
Dailies® AquaComfort Plus™ 90pk 8 box purchase \$45
Dailies® AquaComfort Plus™ 30pk 24 box purchase \$45
Dailies® AquaComfort Plus™ Toric 90pk 8 box purchase \$45
Dailies® AquaComfort Plus™ Multifocal 90pk 8 box purchase \$45
Dailies Total 1® 90 4 box purchase \$25
Dailies Total 1® 30 12 box purchase \$25
Dailies Total 1® 90 8 box purchase \$75
Dailies Total 1® 30 24 box purchase \$75

To get 25% off and 8% cash back you'll need an Ebates account. Just sign up for one.

<http://ebates.com/>

If you want you can sign up under my link and I'll love you ([Click to View](#))

<http://www.ebates.com/rf.do?referrerid=ac9hQI7HRXfLTm9IDxNuxw%3D%3D&eeid=28187>

Once you do that go to the Ebates site, search Vision direct and click it. Then click on "Shop now". You'll be redirected to the Vision Direct site.

NOTE: You'll need to disable adblock/ublock for this

Add your items to your cart and use the promo NEW25VISION. It'll give you 25% off and free shipping. Checkout as normal, note that Vision Direct adds a \$1.99 processing fee. If your brand is one that qualifies for a rebate it'll automatically be added to your cart and you'll get the form in the mail with your contacts.

8% Cash back can take several days to credit to your Ebates account.

5% credit will be added to your Vision Direct account for future orders

Its the cheapest I have found my contacts (AIR OPTIX NIGHT & DAY AQUA).
4boxes/year @ \$54.99/box = \$219.96 regular from Vision Direct

Quote: Subtotal: \$219.96

Shipping: FREE

Discount/Credit: (\$60.99)

Processing Fee: \$1.99

tax: \$0.00

Total: \$160.96

Then subtracting the \$10 rebate = 150.96

The subtracting the 8% back on Ebates = $\$150.96 - \$12.87 = \$138.09$

The subtract the 5% credit on Vision direct = $\$138.09 - \$8.04 = \$130.05$

So do they need a prescription?

boost - December 19, 2015, 1:12 pm

Will definitely be looking into these. Have only one more pair of contacts, ty!
