If you need some translating, maybe you could pay somone on fiverr:

https://uk.fiverr.com/search/gigs?utf8=%E2%9C%93&search_in=everywhere&source=top-bar&locale=en-GB&en_query=&query=translate+korean&page=1&layout=auto

I can only listen to basic Korean, very basic.

And yeah this is the wrong section.

neightworks - December 8, 2015, 3:56 am

If weeb's can't help no one can.

You're in the right place.
