Quote:I received a vouch copy for this e-book and here is my review:

Content: 9/10

I have reviewed a handful of e-books in the past, and I have never seen this method before. The e-book is very specific, so it doesn't leave the buyer with vague instructions like many other e-books do. I haven't tried the method myself, yet I think it conceptually works. You will have to put some effort into it, as well as a small investment to maximize your profits.

Layout / Language: 8/10

No major spelling mistakes or grammatical errors. It isn't a super fancy e-book with borders and videos etc. yet it gets the point across. A few more visuals would have been a nice addition.

GLWS.

Originality: (8.5/10)

These methods is very easy. With just a little bit of work you can start making your money back. Although one or two of the methods I already knew about. But they still work GREAT!

Grammar: (9/10)

I came across a few grammar errors. But nothing too big, that will affect you with your money making.

Layout: (8.5/10)

The layout of the eBook is great! Could have used more fonts. He provides a few pictures, nothing too big.

Overall: (8/10)

Everything is on point! This eBook has a lot of potential. You'll just need time to set it up and the rest is pretty much autopilot! If you are one of those lazy guys, and want to make money, I suggest you purchase this if you're looking to making money!

NOTE

I am in no way affiliated with Al Capone. I asked for a vouch copy, and he gave me one to do a review! From my personal experience, I recommend purchasing a copy of this Ebook!

Cheers?

Edit #1: I've read the Ebook and haven't seen this Method yet. It's written in a really good English I haven't found grammar mistakes yet probably because my native language isn't English but I've understood all very well. There are some images as well which explain some things much better than words ?

So what I can say about the Ebook yet.

Q- How much can I earn per month?

A- As a beginner you can earn anywhere from \$1000-\$1500 each month, but as you start to really master the method, you can earn up to \$2500 monthly. This is not a joke.

Q- How long till I see earnings?

A- As posted in the Vouches, it will take a short period to setup, but trust me, it's worth it.

Q- Are there any age or country restrictions?

A- Not on country. As long as you can follow the guide, you can set this up and start earning. You must however be 18+ to consider this legal, you can do with it however you wish if you are under 18.

Q- Will this method ever get saturated?

A- It's honestly impossible for this to get saturated. If it could get saturated, I wouldn't be selling it to the public.

Q- What is the money-back guarantee

A- If you purchase the premium package, you have the option to receive a refund after 90 days if you try the method to its full potential and make no money.

Q- Do i need to invest?

If you need a vouch copy lmk, also 90 days before refund sounds high, and you might as well loose customers by it. I would reduce it to 60, but if 90 is required for the method I support it.
