Mr. Lord - December 9, 2015, 11:06 am

Hello.

Basically, I don't use my reseller that I'm using and it has a TON of space that I'm not using so I'm going to be offering Free hosting for anyone that wants it.

Specs that you'll be getting:

1,000 Disk Space

10,000 Bandwidth

Unlimited Sub-Domains

Unlimited FTP Users

Unlimited Email Accounts

Unlimited Databases, and so on.

If you'd like this package just post below and I'll shoot you a PM.

If you encounter a problem with your package then you'll be able to contact me via PM here or Skype. ?

TOS:

You must understand we'll not allow: Child Pornography, Phishing Websites/Services, Unauthorised Product Giveaway.

ScorpionOfWar - December 9, 2015, 12:29 pm

I really need this :) Thanks for the giveaway!

Nachfolger - December 9, 2015, 12:30 pm

But can I use it for my 18gb of porn? Thanks op.

ultimatelittlemaster - February 5, 2016, 11:58 pm

I would like to get a host for my domain animetake.org.

Email : ultimatelittlemaster@gmail.com

Please allow disk space and bandwidth as much as possible.

Thank you.

Ghost Rider™ - February 6, 2016, 2:03 am

I feel everyone should confirm with the user that for how much long his reseller is free before taking.

skayahack - February 7, 2016, 9:12 am

Hello, i'm interested on it! Can i have some info? :)

Hello! I'd love to try this out :)

miketh2005 - February 11, 2016, 1:02 am

How long is it free for?

Is a card needed?

Are chat scripts allowed? (Livezilla, I want to add live chat in order to improve customer conversion rates.)

Please set an account up for me and PM me!

Thank you very much, it is truly appreciated.

Antonio101 - February 11, 2016, 1:30 pm
