Sorry no vouch copies. I gave one vouch copy away to the member @There, for the sole fact he purchased the first part of the method and seemed to be the only member willing to put the full amount of effort in.

And as stated in thread, you still need to own part one of the method ?

Review: The method probably works, you wont see results for like 3 weeks.
and you have to have a pair.

if you do have a pair. then you can turn one pair into two.
so quite possibly its worth it if you really like to get fresh.

the process is just to long.

on the plus side the first method in the ebook the process is common and 9/10 you'll get it in like 3 days.
