Thread: [Watch UFC FightNight Free Tonight](#)

KKB - December 10, 2015, 6:50 pm

Hey HF, I've stumbled upon a sweet deal that I'll share with you.

So UFC has a thing called a "fight pass" that's usually about 10 bucks per month. It's a subscription to watch the fights online.

Well, if you head to <http://www.ufc.tv/page/fightpass> and click "start your free trial" up near the top right, you can sign up with a throwaway email, gift/regular credit card, and watch the Fight Night tonight, and the UFC 194 prelims on Saturday.

Just make sure to cancel the subscription before 7 days have passed and voila, free entertainment.

Fight night starts in 10 minutes, get in before the blondes go all 'Kill Bill' on one another.

Proof shit works:
