But hey, not judging when I listen to some shitty music from time to time as well.

The thread is "what are you listening to" not; "what is a good song" lol.

It is certainly a catchy song though.

Posting songs spawns discussion brother. That's the point, otherwise we'd just be LQP'ing. And yeah, Kendrick is a genius. Did you hear Black Friday?

I love Kiss.

I listen to them quite a lot and I grew up listening to them because of my dad being a huge fan of them and he has met them before as well.

I would like to see the original members though.

Gene Simmons, Paul Stanley, Peter Criss and Ace Frehley.
