Thread: [Web Design/Dev Service | CHEAP | FAST CONTACT | CSS | PHP | JAVA | +MORE!](#)

SIM-1472133 - December 11, 2015, 3:20 am

I am offering a budget web design service. you will have custom plans down below, I will be using bootstrap for these designs. We also do PHP, SQL, JAVA +MORE

The process of ordering is:

- PM me with which plan you would like
- I will organize a form of contact to decide what you would like your design to be
- I will then give you a deadline in which I will have the website completed.
- You pay the full amount.
- If I miss the deadline by below 24 hours you will get 25% refund and after that you will get a 100% refund + the website.

Plans:

One page website
\$30

3 Page website
\$80

5 Page website
\$150

Any more pages please contact me via PM or SKYPE

SKYPE: PM me your skype.

Payment methods:

BTC
PAYPAL

Portfolio:

Portfolio down temporary, can show work via skype screenshare.

What do you mean skills? I can do web design, web design is the skill lol.

If you are asking about what languages, I can do HTML and CSS.

Correct, this service is strictly frontend work, if you need backend work, it will cost much more depending on the task.
