Thread: [Celebrity Doxes?](#)

Subliminalz - December 11, 2015, 10:55 am

I can more then likely get any celebrity doxes.

Would people be interested in this?

How much should this service go for? ??

Edit; I will confirm their address/phone number obviously NONE of the info I will be getting will come from free resources such as whitepages, I have my own ways and methods, I am just curios If I should start a service like this! ?

PrivateDonut - December 11, 2015, 10:56 am

Someone asked the same question not to long ago, I don't think they will be worth anything, or very little. But I could be wrong.

Regulus - December 11, 2015, 10:56 am

Someone had a service like this before for free, and then someone said this service is for free somewhere on TOR or something.

Might be wrong though lol.

Description - December 11, 2015, 10:58 am

Probably outdated informatin gathered from people who have doxed them from the deep * LOL

Peori0y - December 11, 2015, 10:59 am

I'd pay 100\$ for Ariana Grande's phone number.

EDIT: I can also give my mom for it.

I'm sure selling personal information or 'Doxes' are prohibited on HF, but I can't find the relevant Help Doc right now.

You are wrong selling doxes is not against the rules, but posting personal information on the forum is against the rules.

I'm sure this is a product which you would require staff approval to post though, as I'm sure this would be heavily scrutinised if it is allowed.

Selling doxes is only against rules if they are an HF member I believe.

Good luck with selling OP. Most people only want hot celebrity's tho ;)

I don't think you should charge for this - it's like a special occasion sort of thing.
Your best bet is just to gather their info now and store it until something changes.

Hope this helps - Selling a doxing celebrity service should be fine, the same way people do private investigation paid or doxing services on HF paid.
Just make sure to deal with personal info carefully :)

Thank you Mr. Robot?

And I am not sure If I should start a service like this, or not.

Why should I store the info thought that got me a bit confused.

Thank you for providing that screenshot, I initially thought this was disallowed as posting info of HF members is, but thank you for proving me wrong.

In this case, it should be fine to sell then OP.

On the not so clear web, there is a big list of celebs with their full info including other sensitive stuff.
