Thread: [P250 | Mehndi or Muertos?](#)

Peori0y - December 12, 2015, 2:40 am

Hello,

Title says it all, I want a nice P250 skin.

Should I go with:

Muertos: Spoiler ([Click to View](#))

Or

WARNING: BIG IMAGE!!

Mehndi: Spoiler ([Click to View](#))

I'm not really sure, they both look sexy.
Let me know your personal opinion please.
Thanks.

I'd prefer the Muertos over the Mehndi personally

Mehndi for the win, a more "HQ" skin, alot of people already are using muertos.

I prefer the Mehndi tbh, its a little pricy though I assume. I'm rocking the misty rn ;)

I still would've used my ST mendhi if I didn't lose it on betting.
Now I'm sitting alone with my Muertos. :(

But, definitely the Mendhi over Muertos - imo.

hacc - December 12, 2015, 10:30 am

Mehndi IMO. Its what I use.

Fivio Foreign - December 12, 2015, 10:31 am

muertos is much better go with that

Regan - December 12, 2015, 10:38 am

Mehndi, the better skin IMO!

630 - December 12, 2015, 10:58 am

I'm personally a fan of the Mehndi myself. However Modern Hunter master race.

jzone5586 - December 12, 2015, 4:06 pm

Muertos for sure man, why would you even think about anything else :D

Precept - December 12, 2015, 7:25 pm

Mehndi is the best P250 skin hands down.

LimitedCS - December 12, 2015, 7:27 pm

I would go for the Mehndi if you have the extra money to pay for it. However the muertos is a good somewhat cheap skin.

hejsh - December 13, 2015, 10:05 am

I prefer Muertos over Mehndi :P

When I used to play CSGO. I had both skins, I loved both and were my favorite skins and gun. Of course with stat trak.
