im ewhoring on kik, using bluestacks

lolrehtkidskid99 - December 12, 2015, 4:13 pm

Then why do you have an sfw. Just get a free picture pack from one of these threads. Then get a price list setup (ex. \$5 for 10 pics 10\$ for 25 pics etc...)

Don't give anybody any nude previews without them paying first. Ask them for quikpay, its a fake payment processor, it will screen about 30% of people ?

Traffic sites can be found on HF as well

johnsmithzzz1990 - December 12, 2015, 5:10 pm

make sure that you have a good pack
