AnimeFAN! Movie night

I saw that we used to do these but none recently so decided it would be fun to get the members of the group to come join and watch a movie together.

Anyone is allowed to join in and vote for a movie you are not obligated to watch a movie if you don't want to but the more the merrier.

The Official date is next Saturday 12/19/2015 (The time will be determined on when everyone can join.)

Please leave any suggestions down below and I will add them to the poll.

I will be adding a strawpoll the day before the movie night and people will vote there.

5 centimeters per second
High school of the dead

Add me on skype and I will add you to the AnimeFAN! movie night chat: qr.nuttyz just put movie night in the reason.

<https://join.skype.com/vmKR2Ff0xdFe>

F.A.Q

Does it have to be a movie?

No but it would be best to pick something that isn't in episodes.

Do I have to stay the whole time?

No, but it would be great for everyone to stick around.

Vote now

Just found out you can't edit polls if you have any suggestions post them and I will add them to the thread.

Quote:I nominate highschool of the dead to watch on the anime night

I put it in the thread don't know how many people will attend because we might not be able to finish a series in the time that is provided.

I will add all of the suggested movies to a straw poll the day before the movie night so that every one will get to vote on all the options.

Also for those asking how we will watch together it will be hosted on rabb.it and we will be streaming through moetube.

I hope that answered everyone's questions.

We will most likely just watch 1 maybe 2 movies if people are up for it.

If all goes well I plan to do these every weekend. :)

Doesn't have to be anime. Last time it was The Incredibles, right?

Kezy - December 13, 2015, 12:12 pm

Looking forward to this!

I think Totoro would be an awesome film to watch.

One of my favorite Ghibli films

[Toki wo Kakeru Shoujo](#) could be another option.

Mand'alor - December 13, 2015, 7:07 pm

Something short, sharp, shiny seems to be a good commitment.

I'd love to suggest Fooly Cooly due to it's greatness and shortness! I'd say School Days too but I'm sure the majority of you have seen it once or twice.

The poll votes will be invalid because I found out you can't edit polls so I will have a straw poll that will count.

It's a pretty great movie I will most likely take the movies that lost from the previous week and recycle them into next week.

InceptionZero - December 15, 2015, 9:49 am

Summer Wars, Nausicaa of the wind or Samurai Jack (Wouldn't hurt to rewatch the series for preparation on the upcoming new season :D)

Kasumiikun - December 15, 2015, 10:23 am

Would love to join this.
And we should watch the Evangelion Or Madoka Magica movies heh.

Yuikoro - December 15, 2015, 11:20 am

This is cool, I haven't really seen a whole lot of movies other than Garden of Words and 5cm/s.
Would be dank to finally finish spirited away at some point as well.

Here's my suggestion: the Kara no Kyoukai movies. There's 7, but I hear they're all really good. I don't know any other movies anyway so oh well

Are we gonna be using the AF! teamspeak?

Or just type to each other via the on site chat?

The site has chat, and voice chat so there is no need for ts3 unless people want to use it.
