I don't know much about hacking accounts but \$500 to get into an account that's been inactive for a year seems steep?

Queen Cin - December 16, 2015, 4:39 pm

Willing to use a MM? Are they \$500 firm for any account? What about someone's personal fb? Shouldn't cost \$500 IMO

Caivio - December 16, 2015, 4:45 pm
