Vouches:

Spoiler ([Click to View](#))

(Dec 13, 2015 05:12 PM)Nine. Wrote: [\[CITE\]](#) Received a Vouch Copy.

After reviewing this, yea, you're definitely abusing the system that's in place with his method. Will you earn hundreds? Probably not within a week. Will you earn money? Most definitely.
[...]

Vouch from me, the method definitely provided all the info I would need to get this completely started up.

(Dec 14, 2015 11:30 PM)fall3n_ Wrote: [\[CITE\]](#) I just received the vouch copy, and I have to say that I'm pretty impressed.

I'm completely sure that this method will make you money, and I'm pretty sure that in the way this ebook is written, pretty much everyone will understand it.

However, you have to be aware of the fact that the money won't just fly into your wallet, but with putting a bit of effort into this, you should easily be able to make a lot more money than you pay for this ebook!

Definetly recommended!

(Dec 16, 2015 11:38 PM)BossTycoon Wrote: [\[CITE\]](#) Huge vouch bought this eBook and I'm gonna utilize it alot in combination with another product on this forum because I am 101% SURE IT WILL make you money, amazing method.

(Dec 17, 2015 08:46 AM)?Redemption™ Wrote: [\[CITE\]](#) Big vouch for Equites!

I recieved a Vouch copy from him, here is a small review with my opinion.

1. It`s really easy to understand.
2. With some time and effort you are able to make some good \$\$ (not Bill Gates style)
3. Good support and a nice member to communicate with.
4. If you are a smart guy you can use this method with some other methods to make a higher profit.

So my opinion is ,
It`s a good method with some good options to make money.
Give it a shot and you can see by yourself.

GLWS ?

(Dec 25, 2015 11:19 PM)Cupman Wrote: [\[CITE\]](#) Bought the ebook over a week ago and I definitely vouch for it. Might take a bit of time at the start but completely worth it once things start rolling. Keep it up ?

(Jan 1, 2016 05:38 AM)calleballe01 Wrote: [\[CITE\]](#) Just bought this, I've bought a couple of E-books from hf and always felt kind of cheated on when reading them. Seeing hidden investments I have to make to be able to make any profit at all. While reading this E-book I didn't get that feeling one time. I can really see how I can make profit from this. A bit of work has to be put in tough but it will pay off.

Thanks, Equites for a great E-book!

(Jan 2, 2016 09:08 AM)JAMIE Wrote: [\[CITE\]](#) Wow just bought this and I'm honestly quite impressed. Guaranteed to make profit and 100% risk free.

You can invest as little or as much you want.

Genuinely the first time I have been happy with any ebook I have purchased. If you're hesitant, just buy it.

(Jan 2, 2016 10:38 PM)Visualize Wrote: [\[CITE\]](#) This method is quite interesting and does use what the title implies about abusing the system quite accurately. This is whitehat for sure which is always a plus. I see why a lot of people couldn't really post any proof yet, but I am sure things will start rolling soon. In terms of if the method can get saturated, its a possibility, but I highly doubt it. OP can sell a thousand copies of it and the base method is fine, and I am sure nothing will change that will inhibit the system to be used in the near future. The whole thing is pretty clever and you can choose to use how you want to implement the method. The safe way gives guaranteed profit, pretty much risk free but there is a more risky alternative that will give you an even greater payout.

I personally can't give any proof of items being gained from the method yet, but remind me in a week and I provide you some proof.

More coming soon!

a e o n - December 13, 2015, 3:16 pm

Only if I were able to receive a vouch copy ..

IISP33DII - December 13, 2015, 3:49 pm

Huge vouch for my mate, I've been using this method for quite a while and I can definetly say that it's worth a lot more than \$25.

And even though you might say this vouch doesn't count because I'm his mate, I can still only encourage you to try it out. It's amazing!

Venturing - December 13, 2015, 3:56 pm

Let me know if you're willing to give a vouch copy. If not, i'd be glad to pay after i test it out to make sure it works.

Doodlegod - December 13, 2015, 3:57 pm

Thanks for the honest review!

I still give out 1 more vouch copy to a highly reputable uber

Duk. - December 14, 2015, 8:49 am

Quick question, is this a buy and sell method, a buy and trade method, or a sell and up trade method?

Equites - December 14, 2015, 9:02 am

(Dec 14, 2015 09:49 AM)Duk? Wrote: [\[CITE\]](#) Quick question, is this a buy and sell method, a buy and trade method, or a sell and up trade method?

None of those ;)

SyyK - December 14, 2015, 10:19 am

Is it a method of buying an item & wait for it until the item price will increase? (Crates..)

Thanks

Equites - December 14, 2015, 10:29 am

(Dec 14, 2015 11:19 AM)Aurity Wrote: [\[CITE\]](#) Is it a method of buying an item & wait for it until the item price will increase? (Crates..)

Thanks

No, in my opinion that would just be common knowledge nowadays. also you wouldnt be able to make like 20%+ on your investment every single day with that. im 99% sure that im the first one to release this method.

morph - December 14, 2015, 10:30 am

I have some knowledge in trading and I can review this method in a fair way, hit me up.

Equites - December 14, 2015, 11:23 am

(Dec 14, 2015 11:30 AM)Zymbiotic Wrote: [\[CITE\]](#) I have some knowledge in trading and I can review this method in a fair way, hit me up.

Sadly I've already given out 2 vouch copys, I'm sorry.

Also, 2 guys have already bought it, so you can expect to see some more vouches in the next 1 or 2 days!

Wyatt Garcia - December 14, 2015, 11:49 am

Seems really nice thread and probably nice method :)

GLWS.

Equites - December 14, 2015, 12:32 pm

(Dec 14, 2015 02:38 PM)TheSuspect Wrote: [\[CITE\]](#) I guess I'll take your word but it seems a little dodge.

That's not the method.

8miles - December 14, 2015, 1:42 pm

looks intresting. wil wait for the reviews

ScammerHD - December 14, 2015, 1:48 pm

This thread would be much more convincing if there wasn't a spelling mistake in the title...

Equites - December 14, 2015, 1:54 pm

(Dec 14, 2015 02:38 PM)TheSuspect Wrote: [\[CITE\]](#) I guess I'll take your word but it seems a little dodge.

Well, I obviously can't tell you what exactly it is, but I can guarantee you that it's something that you haven't seen before and even more important, something that is actually working.

(Dec 14, 2015 02:39 PM)Nine. Wrote: [\[CITE\]](#) That's not the method.

Thank you for confirming that.

(Nine received one of the two vouch copies, he saw what it's about)

(Dec 14, 2015 02:42 PM)MrScrubLord Wrote: [\[CITE\]](#) looks intresting. wil wait for the reviews

Great to hear, I guess during the next 1-2 days there should be at least 3 new vouches from people who are currently trying it out and making their first profits ;)

(Dec 14, 2015 02:48 PM)ScammerHD Wrote: [\[CITE\]](#) This thread would be much more convincing if there wasn't a spelling mistake in the title...

Thanks a lot for pointing that out, sometimes the most obvious mistakes are the hardest to spot! I changed it immediately

fall3n_ - December 14, 2015, 2:43 pm

Vouch for Equites he is legit!

I would take one vouch copy so I can also vouch for the product ?

xCrYsTaLx - December 14, 2015, 2:44 pm

I might be interested but ive got some questions can you check your PMs asap pls

Equites - December 14, 2015, 2:56 pm

Because quite a few of you had concerns about this method actually being able to make you money, I now offer a 200% Refund Guarantee.

If you follow the step-by-step guide and still end up not making consistent profit, I will not only refund you your money, but I will also pay you the full price on top of the refund!

I obviously don't do this because I like to throw money at you, but because I'm 100% confident that EVERYONE will be able to make a good amount of profit with this!

fall3n_ - December 14, 2015, 10:30 pm

I just received the vouch copy, and I have to say that I'm pretty impressed.

I'm completely sure that this method will make you money, and I'm pretty sure that in the way this ebook is written, pretty much everyone will understand it.

However, you have to be aware of the fact that the money won't just fly into your wallet, but with putting a bit of effort into this, you should easily be able to make a lot more money than you pay for this ebook!

Definetly recommended!

Equites - December 14, 2015, 10:51 pm

It depends on how much you are willing to invest. With an investment of \$25 for example, it should take around 3 days to get the money back.

And no, you don't have to trade on the steam community market :)

DoNotClick - December 15, 2015, 10:33 am

Glad to hear that! If there are any open questions, please dont hesitate to ask!

Ray Narvaez Jr - December 19, 2015, 7:26 am

I purchased this eBook and this is my review on it. It has risk but it can't be saturated unless the entire CSGO market crashes.

::Overall (8/10)::

The method isn't something that is unique or 100% air tight, but it's got resources to help you guide your way.

::Grammar/Formatting (9/10)::

Minimal mistakes. I don't like the formatting for it too much but the design makes up for it.

::Method (7/10)::

As I said above, it's not unique or 100% air tight. It's got resources to it and a guide, but there's a lot of user error that can go on here to lose money.

::Investment (8/10)::

The higher the investment the lower the risk. It's risky but you can definitely make profit if you know what you're doing.

Equites - December 20, 2015, 2:35 am

(Dec 19, 2015 08:26 AM)Ray Narvaez Jr Wrote: [\[CITE\]](#) I purchased this eBook and this is my review on it. It has risk but it can't be saturated unless the entire CSGO market crashes.

::Investment (8/10)::

The higher the investment the lower the risk. It's risky but you can definitely make profit if you know what you're doing.

Thanks for the honest review!

Just to avoid any confusion, I'll have to add that the "risk" he's talking about refers to the risk of human error, and this error is not because the method is too hard or anything, but because he thinks that some people might get too greedy and therefore take unnecessary risks. (We talked on skype and he explained this to me)

D Double E - December 20, 2015, 11:59 am

Not really sure if I am interested in buying but I have a question.

Does this violate steam or csgo's TOS in any way?

Equites - December 20, 2015, 12:13 pm

(Dec 20, 2015 12:59 PM)DopeChef Wrote: [\[CITE\]](#) Not really sure if I am interested in buying but I have a question.

He Replied in a PM

Equites - December 24, 2015, 1:07 pm

Merry Christmas everybody! For the next couple of days, I will be giving a 20% discount to everybody that asks for it! Just PM me! And please don't forget to have a great time with your family!

LanaDelRey - December 25, 2015, 10:19 pm

Bought the ebook over a week ago and I definitely vouch for it. Might take a bit of time at the start but completely worth it once things start rolling. Keep it up ?

Slaver - December 26, 2015, 2:50 am

is this the basic start with a cheap skin and trade up stuff?

Equites - December 26, 2015, 5:00 am

(Dec 26, 2015 03:50 AM)Slaver Wrote: [\[CITE\]](#) is this the basic start with a cheap skin and trade up stuff?

No, like already said in the thread. This is unique and actually working!

Ariana Grande - December 26, 2015, 12:06 pm

Is this method just pretending to be hacked/scammed and getting Steam support to duplicate your items?

Equites - December 26, 2015, 12:58 pm

(Dec 26, 2015 01:06 PM)Ariana Grande Wrote: [\[CITE\]](#) Is this method just pretending to be hacked/scammed and getting Steam support to duplicate your items?

Nope, its not, I'm not even sure if that still works after the escrow update. Like I already said, it's unique and I'm 99% sure that I'm the first one to ever sell this/ make this public!

wallyworlddancer - December 26, 2015, 6:39 pm

So this is def usable with the new steam trading system? Doesn't hinder it at all?

Equites - December 26, 2015, 10:31 pm

(Dec 26, 2015 07:39 PM)wallyworlddancer Wrote: [\[CITE\]](#) So this is def usable with the new steam trading system? Doesn't hinder it at all?

Yes, there are absolutely no difficulties with it!

Equites - December 27, 2015, 10:49 pm

Because i get many questions related to that, this method does NOT include any trading with other human beings! You don't have to know how to make good deals, all you need to know is how to trade at all, all the rest will be given to you by the ebook!

Cecilia - December 27, 2015, 11:23 pm

So this isn't a gambling method, correct?

If it is, its not really 'whitehat' if you have 0% chance of losing your items.

You are 'hacking' or 'abusing' the system in some way to get those kind of odds (I assume this is for a csgo gambling site).

Equites - December 27, 2015, 11:53 pm

(Dec 28, 2015 12:23 AM)LaPanthere Wrote: [\[CITE\]](#) So this isn't a gambling method, correct?

I mean, I can't really do anything else but to write this, and it's quite likely that this won't persuade you either, but my ebook is unique, never published before and most importantly: it's working

Yeah, I trust you man, but it's sadly a risk I feel I can't take.

People are bullshitting with their 100% (200% in your case) refund, sadly.

"oooooh, you didn't do as I told you to"

"what should I have done different?"

"you're just shit talking I'll block you now"

DontQQSoMuch - December 28, 2015, 7:27 am

Once again, I know what you mean. However, you might ask ["Snared"](#), he bought the ebook and because of a quite unique issue he had he felt like the ebook would not earn him money. After

clearing out the issue, I saw that he was right, and we agreed that I would refund him the price of the ebook (not 200%, because his issue was quite unique).

He even gave me +rep after that.

Once again, I can't really do anything else than writing this, you'll have to decide yourself

(Dec 28, 2015 08:09 AM)Internet Explorer. Wrote: [\[CITE\]](#) The sad moment when an eBook actually looks appealing, but you know 99.9% of all eBooks on HF are shit :/.

Hi

Well I used to think that me too but I bought one ebook (the only I bought) many months ago and earned 2 or 3 x the cost with a few hours. Than I stopped because I did not had the time to continue. Not sure it is 99,9% and you never know before trying :p

Also this one looks more realistic than the others saying you will get 500 \$/day !

This one seems really interesting I will keep an eye on it. GLWS ?

Ps: sorry for my poor English I did not used it a lot these last years..

Just in case anyone wondered, I continued to talk with Internet Explorer through PMS, I did not just ignore him (Just didn't want to trash the thread)

To everyone being interested but being scared of their overall experience with ebooks so far, I can just encourage you to talk to me, that's the only way I can clear out your concerns.

Equites - December 30, 2015, 3:15 am

Another great day to make some profit! Join the team of over 25 satisfied customers and start to see your investment grow!

Once again, if you have any questions, I can only encourage you to go ahead and ask, I'll gladly answer everything!

fuccthatniggroger - December 30, 2015, 2:02 pm

Vouch! Legit dude and would recommend to anyone thinking about buying

Justx - December 30, 2015, 2:31 pm

Equites is a nice guy

We talked a bit and he answered my questions

Equites - December 30, 2015, 3:25 pm

Get a head start into the new year. Until January 2nd you can use the coupon "2016" when ordering the ebook for a 20% discount! Get it before it's too late!

Shorta - December 30, 2015, 3:54 pm

(Dec 20, 2015 03:35 AM)Equites Wrote: [\[CITE\]](#) Thanks for the honest review!

Just to avoid any confusion, I'll have to add that the "risk" he's talking about refers to the risk of human error, and this error is not because the method is too hard or anything, but because he thinks that some people might get too greedy and therefore take unnecessary risks. (We talked on skype and he explained this to me)

Risk reminds me greatly of gambling...

Are you telling me this is buying junk(csgo items) for let's say \$50 and then bet on all those various gambling sites there is, like those jackpots and just make a bot auto bet 1x junk until cashout?

Equites - December 30, 2015, 3:59 pm

No, definitely not! The method eliminates any possible risks, your profit is guaranteed! The risk he was talking about is that a user could ignore this step and therefore take (unnecessary risks) if he gets too greedy. However, everyone with at least a bit of selfcontrol should be able to not do that.

Internet Explorer. - December 31, 2015, 5:48 am

Bumping this for my great friend, he's legit!

calleballe01 - January 1, 2016, 4:38 am

Just bought this, I've bought a couple of E-books from hf and always felt kind of cheated on when reading them. Seeing hidden investments I have to make to be able to make any profit at all. While reading this E-book I didn't get that feeling one time. I can really see how I can make profit from this. A bit of work has to be put in tough but it will pay off.

Thanks, Equites for a great E-book!

sayuto - January 1, 2016, 6:21 am

i buy it,i will test and write some

Equites - January 1, 2016, 2:18 pm

Thank you for your kind words!

Remember guys, only around 25 hours left until the discount expires! Grab your head start into the new year!

JAMIE - January 2, 2016, 8:08 am

Wow just bought this and I'm honestly quite impressed. Guaranteed to make profit and 100% risk free.

You can invest as little or as much you want.

Genuinely the first time I have been happy with any ebook I have purchased. If you're hesitant, just buy it.

Equites - January 2, 2016, 10:24 am

Visualize - January 2, 2016, 10:43 am

Why do I see so many reviews but no one has any proof of items they got...

Equites - January 2, 2016, 11:27 am

(Jan 2, 2016 11:43 AM)Visualize Wrote: [\[CITE\]](#) Why do I see so many reviews but no one has any proof of items they got...

Compared to the copies I've sold you actually see quite few reviews. I'm not telling anyone to write a review, not at all.

And seriously, would some screenshots of items prove anything? That proves around as much as posting screenshots with a high paypal balance. I mean, what kind of screenshots would you like to see?

To prove everyone that I have nothing to hide, I will give you a vouch copy if you're interested. Write me a PM if you'd like to review the ebook.

(Once again: I'm not inviting all of you to ask for vouch copys, ONLY HIM!)

Visualize - January 2, 2016, 9:38 pm

This method is quite interesting and does use what the title implies about abusing the system quite accurately. This is whitehat for sure which is always a plus. I see why a lot of people couldn't really post any proof yet, but I am sure things will start rolling soon. In terms of if the method can get saturated, its a possibility, but I highly doubt it. OP can sell a thousand copies of it and the base method is fine, and I am sure nothing will change that will inhibit the system to be used in the near future. The whole thing is pretty clever and you can choose to use how you want to implement the method. The safe way gives guaranteed profit, pretty much risk free but there is a more risky alternative that will give you an even greater payout.

I personally can't give any proof of items being gained from the method yet, but remind me in a week and I provide you some proof.

No, in fact you don't trade with other players at all!

No social engineering or anything included.

Equites - January 4, 2016, 5:29 pm

So it seems like we arrived in the Counter Strike section ;)

Because of the new audience, I will once again encourage all of you to go ahead and ask me if you have any questions, I'll be glad to answer all of them!

xiao88 - January 4, 2016, 5:45 pm

How does this compare to other methods? how long has this method been running for/

DubStepBanned - January 4, 2016, 9:33 pm

Im pretty sure i know this method, if not something similar. If its what im thinking then its a really good method!

BlatantHacker - January 4, 2016, 11:45 pm

So, if I wanted to use this method and start out with it I would need \$25 to purchase it, and \$50 to start with it ?

Equites - January 5, 2016, 3:28 am

(Jan 4, 2016 06:45 PM)xiao88 Wrote: [\[CITE\]](#) How does this compare to other methods? how long has this method been running for/

This method has been running for years

(Jan 4, 2016 10:33 PM)DubStepBanned Wrote: [\[CITE\]](#) Im pretty sure i know this method, if not something similar. If its what im thinking then its a really good method!

I doubt it to be honest, but go ahead and PM me what you think it is :)

You wouldn't need \$50 to start with, around \$10 would be the minimum, but the more you invest the more you make obviously :)

UndeadFaxMachine - January 5, 2016, 1:51 pm

Very good method, Will take some time to get going but really has room for some big earnings!

Equites - January 6, 2016, 3:16 am

By the way guys, because I still get quite a lot of questions about this: This is 100% risk free, there's no possibility for you to lose money if you don't make any mistake (and let's be honest guys, the method is not that hard :P)

Equites - January 7, 2016, 12:25 pm

Still up, still selling, still earning money and still answering questions :P

BlatantHacker - January 7, 2016, 5:45 pm

Using this method, will I still be able to make 20% profit with big numbers say after 2 weeks. Does it keep consistent with big numbers ?

xiao88 - January 7, 2016, 9:12 pm

Trying to get you on skype but seem we cant chat cause you always away :p

980322091 - January 8, 2016, 4:08 pm

website down? Cant get on....

Equites - January 9, 2016, 6:05 pm

With really big numbers, you would have to put a little bit more effort into it in order to reach the 20% profit, but it is definitely possible, yes!

(Jan 7, 2016 10:12 PM)xiao88 Wrote: [\[CITE\]](#) Trying to get you on skype but seem we cant chat cause you always away :p

I was pretty busy in real life lately, but i try my best to respond to everyone as soon as I can!

(Jan 8, 2016 05:08 PM)980322091 Wrote: [\[CITE\]](#) website down? Cant get on....

To be honest I'm not quite sure what website you're talking about

NealCaffrey - January 9, 2016, 7:59 pm

How does this work with the new steam guard shit on steam when purchasing the "betting skins"? Do you just change the trade link to the other account? They are still held for 3days, right?

Firefly969 - January 9, 2016, 9:12 pm

Do you accept cs go skins? Also your payivy has a typo "Exponential groth!"

v6Prototype - January 9, 2016, 9:33 pm

What superman said, does this work with the new trading system? If so very curious, may buy

Equites - January 10, 2016, 4:19 am

(Jan 9, 2016 10:12 PM)Firefly969 Wrote: [\[CITE\]](#) Do you accept cs go skins? Also your payivy has a typo "Exponential groth!"

I guess I do, however you'd have to "overpay" then and pay around \$35

(Jan 9, 2016 10:33 PM)v6Prototype Wrote: [\[CITE\]](#) What superman said, does this work with the new trading system? If so very curious, may buy

Yes it does! Your account will have to have mobile authenticator enabled obviously, but that's it

samtenny - January 10, 2016, 8:44 am

Does this still work? I'm interested. Contact me via PM. Might not be for a bit. (waiting to withdraw from g2a)

kirg - January 10, 2016, 11:53 am

Hello @Equites Im also interested. I would overpay you with CSGO skin, worth even more than \$35! Would be nice to get in contact with you on Skype;

My Skype-Acc: zerokirk

kirg
