Hey! ?

Me and a friend are going to start a website like L0ckerz

expect its easier and more diffrent,
(Expected to be launched to as beta. in 4-6 hours.)

Website Name: Secret At the Momemnt

How it Works

You Earn Points ----> Get your Prize --> Your Happy --> we are happy.

How to Earn Points

(Points are based on posts)

- 1) Click the adf.ly Links you only earn when you click from us (2 POINTS)
- 2) \$sharecash Downloads Major Points Earnt (30 Points)
- 3) CPA Survey's (You also get points for these aswell) (25 Points)

Currently we have a few Reddem Options

- 1) MP3 (270 Points)
- 2) Micro SD Card (125 Points)
- 3) Bluetooth Doongle (100 - 150 Points) <--- Not Yet Decided.
- 4) Mini Netbook (800 - 1500 Points) <--- Not Yet Decided.

We have also decided that, the first few people to join the site (once the offical Annoucment has been made) will get a FREE! Micro SD Card! =D

Yep this is no Scam, its 100% Legit,

Currently we are working on

- 1) Forums/Sections and Talks (95% Done)
- 2) GUI and how the site looks (98% Done)
- 3) Auto-Payment System (40% Done)

The Auto-Payment System wont take place until we actually get a few more memebbers. (200-300),

To request your payment you just do it via PM.

(we have limited stock of each item. so you need to get in fast.)

Private Message's are enabled to all users who join the site.

Once we launch the site we will post it here =)

Over and Out.

Other Notes

- 1) We will ONLY pay out via Paypal
- 2) You must have at least 125 points to request ANY prize.
- 3) Using a bot or auto-clicker will get you banned.

BigBadSoft - June 29, 2010, 12:34 am

sounds good, I'll join as soon as its released :)

cybr - June 29, 2010, 12:36 am

I would like some free stuffz please.

Bad Blood - June 29, 2010, 12:36 am

Do you have proof of stock? I'm sure some people would like to see
The site sounds good, will sign up.

Cod3ing - June 29, 2010, 12:41 am

=) Stocks ect. will be on the site,

please leave comments ect. :)

you actually earn prize's just for downloading / Posting stuff.

at the end of the month, you choose your Prize, send us a PM and we'll sort the rest out for ya :)

we ship it to you ect. (you can download as many times as you want from Sharecash, we will also have
other methods for you to earn Points =)

Hmm for the Proof of stock, it will be on the site and it will display how many are left,
most of our prize's go very fast. and we are expecting the MP3 Player to actually go out of stock
very fast . we will lower the Points to a smaller price. =)

Enjoy!

Hmm, we also ship to ALL countries :)

so EVERYONE can join. as long as you can download from \$harecash and can click adf.ly links
your good to go.

Mr. Ocean - June 29, 2010, 12:42 am

Wow, this hasn't been done before, good job!

Totally fresh idea...

Cod3ing - June 29, 2010, 12:43 am

=D Thanks,

Fresh is always the Best,

CyberPhunk - June 29, 2010, 12:46 am

well as per the 1st post i read, you only mentioned about the prizes that can be redeemed using the points, and then you suddenly jumped to the topic auto payments and payments would only be made via paypal, are you also allowing members to redeem points for paypal cash ? like cashout option?

i think u missed out to mention how many points would redeem how much amount of money ?

The Elite - June 29, 2010, 12:49 am

He said the required points for specific prizes.

Cod3ing - June 29, 2010, 12:49 am

Sorry yes, i did miss the "cash-reddem out!"

Current rate is (we may change this)

\$3 = 120 Points

\$6 = 235 Points

\$12 = 440 Points.

All are done via Paypal,

Thanks for reminding me =D

Please note we may change these =)

Bill Nye. - June 29, 2010, 12:50 am

1) MP3 (270 Points)

2) \$sharecash Downloads Major Points Earnt (30 Points)

so if i download 9 sharecash things, which is less than 6 bucks that you make, I will get a mp3?

wont you lose money?

Cod3ing - June 29, 2010, 12:53 am

We dont loose Money.

and we cant expalin our method,

but note, these are subjet to change, at first we thought we should have 15 points but we changed it =) . now its 30. and it may change again.

PLEASE NOTE,

OUR NAME HAS BEEN CONFIRMED (NEOPOST)

Thank you.

Alot of people will love this service, and we hope to get alot of hits from this,

But yes, around 9-12 downloads will get you a free MP3 =)

(guess)?That's my point, yeah. Only way i can think of that they could up that gain is if they get paid
to put someone else's virus in the download or something of the sort.

no offense, but I don't trust it. It's shady, and from what I can tell, not well thought out.

Cod3ing - June 29, 2010, 1:00 am

it will be a .txt =)

and we are NOT going to put virus's =/ on it,

i didnt even think of that thought and we are NOT going to do it.

again, this is 100% legit. =)

its a .txt only saying "Thanks you have earned -- points." and those points are added once we get a download.

Regards,
Cod3ing

Wind Crest - June 29, 2010, 2:32 am

Cod3ing have you though about the \$sharecash premiums? Cause ppl can cheat and you won't earn money.

Cod3ing - June 29, 2010, 2:45 am

Yes we have,

its all handled via IP,

it must be a normal account in order to earn the money, our system can also detect fraud/scam and proxy's.

=)
