David Ken - December 17, 2015, 4:28 am

500MB Disk Space

1GB Bandwidth

1 Hosted Domain

Unlimited E-mail Accounts

cPanel

Instant Setup

Effexion - December 17, 2015, 4:31 am

Wish I had a spare domain. Posting this so I can come back when I do. Thanks a lot, OP.

No problem sir! Thank you for your interest on our free hosting. Hoping to host your website soon!

Tobe - December 17, 2015, 6:32 am

How long will this hosting last?

Hashin - December 17, 2015, 6:52 am

Thanks for this, going to host one of my many domains on here just for experimental reasons.

HiddenEyE - December 17, 2015, 1:40 pm

i have a spare domain to host so i would try this hosting now

B FOR BADASS - December 18, 2015, 8:11 am

I would like to have this. Pm me thanks...

[\$(5)\$] - December 18, 2015, 8:46 am

I will be taking advantage of this. Thanks OP! Very kind of you.

HiddenEyE - December 18, 2015, 12:17 pm

OP is for real. thanks for the free hosting, i appreciate

1tap - December 18, 2015, 3:32 pm

Ill host a site rn, thanks op!

yung dagger dick - December 18, 2015, 3:52 pm

Looks good, going to host the domain fsociety.pw on this host.

HiddenEyE - December 18, 2015, 11:23 pm

please OP i sent you a pm. please reply.thanks

OP hosting is perfect and fast to respond.VOUCH for seanhosting

-Apache- - December 18, 2015, 11:26 pm

Thanks for the post man, :Ddd
