Thread: [Today is my 20th Birthday!](#)

Walt Disney™ - December 17, 2015, 6:25 am

Turned 20 today.

For my birthday I'll be hitting up Mt Hood Meadows.

If you Ski and are in the area, hit me up. Would be sick to shred the slopes with another HF user.

Just meet me at the bottom of the mountain, and scream Walt. I'll find you eventually.

Edit:

Had a great day. Thank you for all the wishes.

Mountain had freezing rain which really hurt. But had a blast.

No one there on a thursday.
