Thread: [Skype adder tool](#)

Coletheon - December 17, 2015, 4:35 pm

I saw a tool around here somewhere that posted the desired username to a website and got you plenty of skype add's if anyone knows where this is it would be super appreciated.

Addmecontacts.com i believe

Coletheon - December 17, 2015, 4:38 pm

I actually found the program on my computer moments after posting this, I am not looking for a skype bot that can send mass messages to all contacts and maybe even accept friend requests ???

Kinguin - December 17, 2015, 4:39 pm

There's a paid program for this, I'm not sure if you want to buy it though.

The price of that program was either \$10 or \$15 a month, and you can still find it here on HF.
