It's alright. Colours are horrible though.

As said above, colors are a meh. The design is really sleek/modern and I love it. :)

Is it the blue and khaki colored design? I really dig that

if-ea - December 19, 2015, 2:57 pm

Thank you for the feedback guys, I really appreciate it.

But why do you think colors are bad?

I don't really like the khaki/tan color, that is the only thing I see wrong with it.

Your comment is invalid for things can't be seen as wrong or right based on an opinion

Agree with Will. The strange tan colour doesn't suit imo. White would suffice.

It is 7/10 because its very simple the colors are a bit messy.

I don't think the colors are bad it looks VERY nice love it nice work keep it up!!!! GOOD LUCK

PS: Actually do like the colors

The color scheme clashes and it's hard on the eyes. If you were to make that tan color an off-white it would look a lot better.

Hey, guys, I have listened to your feedback, and I decided to change the color scheme a little.

c x y k - December 20, 2015, 7:50 am

Defiantly better but the violet clashes with the background and doesn't go well.

Fariko - December 20, 2015, 9:47 am

Everything is decent except the outdated testimonial section. That drop shadow though.

Best Buy - December 20, 2015, 12:39 pm

Simple and a bit all over the place. 8/10

BB-8 - December 22, 2015, 9:48 am

It's not bad but it needs a little bit more work

You did an amazing job, love it. You made the background correct?

EmperorR! - December 23, 2015, 5:46 pm

The updated version looks really good TBH.
