Thread: [Hack Forums Uber Skype Group | Join & Chat](#)

NoMercy - December 19, 2015, 7:08 pm

Hey Ubers. It would be nice to have a chat room with all the decent ubers members in, it probably won't be a huge group of people but it would be cool to just chat with other ubers and chill. If you want to join just PM me and I'll start inviting people.

All ubers are welcome.

Rules:

1. No Rep Begging
2. No advertising E-books or any bullshit
3. No Gang Repping
4. Don't beg for admin

Calling me a weeb is as bad as calling hitler a jew. You're only going to get gassed at the end.
