Thread: [\\$10 Bitcoin Contest \[ENDS TODAY\]](#)

KrazyHigh - December 20, 2015, 9:06 am

New here and I already love it.

I see a lot of contest go on, but their ending time is usually a month or so long and it's just lame.

I like having quick contest.

Today at 8:30PM Central Time a winner will be chosen using <http://random.org>

Rules:

You can post once per page.

This is for upgraded AND non-upgraded.

You MUST have over 100 post though.

I will gather how many posts there are, put the number into random and generate.

Whatever post number it lands on is the winner.

Shaddy - December 20, 2015, 9:08 am

Is there a rule of maybe one post per page?

I'd also love to enter this :)
