Thread: [\[LEGENDS\] Easily make your own icons in a few minutes, no more downloading. \[VIDEO\]](#)

Yakz - December 20, 2015, 11:11 am

I thought I would share this as many people still download icon packs while it's extremely easy to make your own icons in less than a few minutes, supporting all sizes.

Requirements

A picture

Code <http://google.com/images>

GIMP

Code <https://www.gimp.org/downloads/>

Instructions

[Video: https://youtu.be/HuII_34ehxM]

That concludes the guide, it's a small one but I do hope some of you find this useful.

Yakz.
