Djehuty - December 21, 2015, 3:13 am

say this

Code What the fuck did you say about me, you cis rapist? I'll have you know I graduated top of my class in gender studies, and I've been involved in numerous public raids on 4chan, and I have

banned over 300 misogynist shits. I am trained in not citing my sources and I'm the top land whale in the entire Tumblr army. You're nothing to me but another trigger. I will ban you the fuck out with butthurt the likes of which have never been seen on this Earth, mark my fucking words. You think you can get away with raping me over the Internet? Think again, cis white boy. As we speak I'm contacting my secret network of landwhales all over #stopgamergate and your account is being rustled right now so you better prepare your jimmies, sexist pig. The media will biasly slander out the pathetic little thing you call a gender. You're fucking dead, rapist. I can be anywhere, anytime, and kill you with my massive fat folds, and that's just with my bare keyboard. Not only am I extensively trained in being triggered, I have access to the entire arsenal of Tumblr, and I will use it to its full extent to send death threats to your family all over the fucking Internet, fucking patriarchal bitch. If only you could have know what raging hormone filled butthurt your little "clever" comment was about to bring down on you, maybe you would have circumcised yourself. But you couldn't, you didn't, and now you're paying the price, you goddamn PTSD inducing troll. I will shitpost all over you and you will choke on your own injustice. You're fucking dead, cis boy.

SuperAlphaJesus - December 31, 2015, 7:06 pm

Say this:

Quote:I'm sorry, but I don't want to be an emperor. That's not my business. I don't want to rule or conquer anyone. I should like to help everyone - if possible - Jew, Gentile - black man - white. We all want to help one another. Human beings are like that. We want to live by each other's happiness - not by each other's misery. We don't want to hate and despise one another. In this world there is room for everyone. And the good earth is rich and can provide for everyone. The way of life can be free and beautiful, but we have lost the way.

Greed has poisoned men's souls, has barricaded the world with hate, has goose-stepped us into misery and bloodshed. We have developed speed, but we have shut ourselves in. Machinery that gives abundance has left us in want. Our knowledge has made us cynical. Our cleverness, hard and unkind. We think too much and feel too little. More than machinery we need humanity. More than cleverness we need kindness and gentleness. Without these qualities, life will be violent and all will be lost....

!/images/photos/0000/0874/Great_Dictator_Pub_140-6_normal.jpg! The aeroplane and the radio have brought us closer together. The very nature of these inventions cries out for the goodness in men - cries out for universal brotherhood - for the unity of us all. Even now my voice is reaching millions throughout the world - millions of despairing men, women, and little children - victims of a system that makes men torture and imprison innocent people.

To those who can hear me, I say - do not despair. The misery that is now upon us is but the passing of greed - the bitterness of men who fear the way of human progress. The hate of men will pass, and dictators die, and the power they took from the people will return to the people. And so long as men die, liberty will never perish.

Soldiers! don't give yourselves to brutes - men who despise you - enslave you - who regiment your lives - tell you what to do - what to think and what to feel! Who drill you - diet you - treat you like cattle, use you as cannon fodder. Don't give yourselves to these unnatural men - machine men with machine minds and machine hearts! You are not machines! You are not cattle! You are men! You have the love of humanity in your hearts! You don't hate! Only the unloved hate - the unloved and the unnatural! Soldiers! Don't fight for slavery! Fight for liberty!

In the 17th Chapter of St Luke it is written: "the Kingdom of God is within man" - not one man nor a group of men, but in all men! In you! You, the people have the power - the power to create machines. The power to create happiness! You, the people, have the power to make this life free

and beautiful, to make this life a wonderful adventure.

Then - in the name of democracy - let us use that power - let us all unite. Let us fight for a new world - a decent world that will give men a chance to work - that will give youth a future and old age a security. By the promise of these things, brutes have risen to power. But they lie! They do not fulfil that promise. They never will!

Dictators free themselves but they enslave the people! Now let us fight to fulfil that promise! Let us fight to free the world - to do away with national barriers - to do away with greed, with hate and intolerance. Let us fight for a world of reason, a world where science and progress will lead to all men's happiness. Soldiers! in the name of democracy, let us all unite!
