Thread: [\[OFFLINE\] - debug Coding Stream: Anti Analysis](#)

debug - December 20, 2015, 6:50 pm

I decided to start streaming some coding. Hopefully I will gain some knowledge, and maybe you will too ;)

Stream: <http://www.twitch.tv/imdebug>

Current Project: Anti Analysis

Come join!

NETExplorer - December 20, 2015, 6:56 pm

Change the music, its fucking terrible

Aur3xis - December 20, 2015, 6:59 pm

No offense but this music gives me cancer.

But hey, it's wahtever you like buddy.

Enjoying the stream.

debug - December 7, 2016, 5:49 pm

Currently online working on a project. Feel free to join =]

Backopy - December 7, 2016, 5:52 pm

you're using windows to code? i thought all 1337 coders used macbook pros to code!?

debug - December 7, 2016, 7:57 pm

Thanks for tuning in guys, will stream again soon.
