Watson will 'own' Divine for 4 months, but not on paper, then it will come back in control to me.

Raymond Reddington - December 21, 2015, 8:10 am

Won't the group just revert back (in terms of the rebranding) to what it was after four months?

I can get it again for 4 more months, or possibly buy Nex out completely in 4 months so It doesn't change.

Llama™ - December 21, 2015, 8:32 am

Will apply for sure. Hope this will be a good group.

ZuGgY - December 21, 2015, 8:33 am

It will be a Programming group, but for those that are highly skilled. Buy ins will not be accepted, and still working on the name. Also need to get some good graphics.

On what conditions group ownership has been transferred ?

Is Dr.Watson going to set up the group from root so that it can be then taken forward by Nex.
Who's gonna take the from from the membership Nex or Dr.Watson ?

Nex will still be the owner but Dr. Watson will control the group for the next 4 months

Llama™ - December 21, 2015, 11:49 am

Also, under what events did this happen? Like why did you get "ownership" for the next 4 months?

I wish you good luck with this. It is one hell of a job to dig the group out of the deep, dark, murky shit hole that it is in.
