Thread: [Need a pic of a girl pointing a finger at ear](#)

Dr. Fritz - December 21, 2015, 12:41 pm

A probable customer wants me to prove to him I'm real.
He wants a girl to point a finger at her (left) ear.
Possible? Thanks!

Use a girl who's pointing at her right ear and say it's mirrored

I made \$200 altogether in like 2 weeks, like 6 months ago.

I can't seem to make anything now, been trying for a week and didn't make shit.

Can't get any good traffic.

Try working on this simple Hint--> Pretend you are Horny AF and then make a search for sexy teens looking for fun.

Good Luck ! ?
