Thread: [Scammed for 50\\$ bitcoins by PepperM UID=1167737](#)

oakload - December 23, 2015, 7:26 am

User:

<https://hackforums.net/member.php?action=profile&uid=1167737>

Deal:

I Created A topic on buyers buy section about to buy Bulk FB Accs -

<https://hackforums.net/showthread.php?tid=5104913>

He sent me a private message about he got 1120 Accs that he cracked , i told him ok and i want to buy and then he gave me his btc address and i sent him the money and then he went offline and started to ignoring my PM'S.

Proof of PM:

Pretty bad considering that he's an Ub3r

oakload - December 25, 2015, 9:54 am

Fuck this kid Rep me that im was the Scammer LOL!!!! FUck him!

Soulx - December 25, 2015, 2:51 pm

Yeah he scammed me too! Omni needs to do something
