Thread: [Scammed \\$30 BTC By: PepperM](#)

Soulx - December 24, 2015, 12:36 am

I got scammed \$30 BTC from this user, he was going to sell me a \$50 xbox code but after i paid he went ahead and left.

PROOF OF MESSAGES:

<https://gyazo.com/3d30a04c306cdd389c6128e84942419c>

PROOF OF PAYMENT: <https://gyazo.com/1e8f2d282575718e0dd0ed767391c1df>

Once i am refunded i will close this.

Look's P Legit brahski, hope you get your cheddah back homie.

But no seriously, he even says in the PM "going to go get the card out of my car"...

Uh, well what if it isn't in your car and you cant find it? I wouldn't of sent the money until he said he has it in his hands.

Thank you, hopefully he comes to his senses.

He has seen this thready he doesnt care

He has negative repped me now! LMAO "Deal with extreme caution"

100% legit scam report.

PepperM's rep on you confirms this.
