My First ever signature design,for this Christmas.
Improvement suggestions will be appreciated.
Rate it too :)

[Update]-Made it as a animated moving one :)

Thanks in Advance,?

I would rate it a 8/10
Because it made me cringe

4/10 Nice try here is what I don't like :
Your font choice.
The text style.
Transparency of the background.
Not bad for your first time but you need to work more :)

Sure i'll change up the font.:)

After all it's my first try.

Practice will make me good :)?
