Thread: [\\$25 Amazon for \\$22 BTC](#)

Ice. - December 25, 2015, 3:13 pm

Looking to upgrade here on HF so I'm selling \$25 amazon for \$22 BTC, \$18 will go to Omni.

You're not going to sell an AGC for 90%. The average rate is 60-70%

I would have been sketched out by anyone would would be willing to buy it at that price anyways.

Better make a deal dispute.

DJ Sona - December 25, 2015, 5:01 pm

yeah well above percentage man, seen your post earlier figured no one would buy it but a scammer. GL on getting the issue resolved.
