[Orubul | uid=2081920](#)

User did not pay for method, he ignored me after he got the method (which still works, I can still prove that he is generating FamousGram coins, which I heavily discounted for him.

PROOF

proof 1 (user and I went off to team viewer and I offered to go first since he was more trusted and ranked than I was)

proof 2 (team viewer chat snapshots i recorded the video for this.)

Spoiler ([Click to View](#))

He confirmed that he was satisfied and told me to kik him.

Ofc you will need to post proof, with no proof it doesnt prove if this is legit or not.

One, you own @laughtweet an account with 173k which you coincidentally opened a thread asking about CPA.

update: HE JUST CLOSED THE THREAD.....

<https://hackforums.net/showthread.php?tid=5100226>

his thread confirmed that the @laughtweet account had 173k and he used that in this method.
Screenshot here.;

2. the coins stopped generating as soon as you saw this thread.

3. (UPDATE) USER CLOSED THREAD PRIOR TO SEEING THIS TO COVER HIS TRACKS BUT I HAVE SCREENSHOTS. POSTED ABOVE

USER ENDED WITH 320088 COINS. WOW.
