Thread: [Website ideas for this domain name?](#)

Vigor - December 25, 2015, 8:12 pm

So I have come into acquisition of the domain name gloryandgold.com and I need some ideas of what to put on it

Thanks bros

Ash Ketchum - December 25, 2015, 8:14 pm

sell gold from games, runescape,WOW,cs:go keys, steam shit

Special Ed - December 25, 2015, 8:33 pm

have people pay bitcoins to watch glory hole porn

Stashy - December 25, 2015, 8:36 pm

Anti-Christ website, there's no God but there's glory and gold. Attract all the Reddit atheists.

Allelujah - December 25, 2015, 9:57 pm

Gloryandgold?

Sounds a lot like a porn site to be 100% honest. A black porn site to be specific.
