Thread: [Happy New Years 2016 is a big year! GIFT AWARD GIVEAWAY! \[TWO PEOPLE\]](#)

Voice Expert - December 26, 2015, 10:15 pm

I'm successful in the online world, and it's almost a brand new year, so I've decided to give away two gift awards to two users. To enter this giveaway please read the requirements to make sure you're eligible.

Must have positive reputation

Must have at least 50 posts

Must be an upgraded user (may make exceptions if you're a active user)

Must write at least one paragraph of why you believe you deserve the gift award

I will be live steaming the results of the winners, on 1/5/2016 (not sure the time yet)

Note: Any trolling in this thread will make you disqualified

Just one question -

If someone already has a Gift Award, can you arrange for some other Award too (of the same price or lower)?

This should be in member contests I guess.

Calcyon - December 26, 2015, 11:07 pm

I believe I deserve the gift award because I don't have much money right now, but I strive to be as HQ as I can in the HF community. I'm active and try to give more than I receive. Here's some examples of my recent posts / threads.

Thanks for the clarification. Here is my entry -

Introduction -

Joining HackForums was a fluke! Actually a Google search landed me here. But, it was love at first sight. You see, you can very well identify a well moderated forum in a short time span.

A bit about me, I have done Bachelor of Engineering in Computer Science and have around 15 years of experience in technical support regarding networking and general software related issues. Have also worked for SBC YAHOO! ISP support for modems and routers. Including email software testing. The same knowledge has helped me to LEARN, EARN and CONTRIBUTE here on the forum.

I would like to add that I have been contributing to the HF community from the very beginning of my tenure. It can be in the IT section, suggestions for improving HF, Giveaways, In lounge chatting with my friends, Gaming and last but not the least in the Monetizing section with some unique earning methods.

Brother, I earned L33T, UB3R & 3PIC by winning competitions only! People have recognized my hard work earlier too! I can easily say; HF is my second home now!

Final Words -

I would really appreciate, if you consider me worthy for the Award. I guarantee, HQ performance in the future too.

Last but not the least; thanks for the contest brother. ?

Well, since I haven't won any gift award, I guess I'll try my luck here.
As for whether I deserve the award or not, it's all up to you OP.

Thank you OP.

I think I deserve the award because I'm a giving person and would love to give back to the community as much as possible. So far I gave away a pack to many users on here <https://hackforums.net/showthread.php?tid=5106295>, and I'm looking forward to being giving away stuff like awards in the future hopefully. Also I'm a pretty active member I'm on everyday and engage with what the members are up to. ?

Thanks for the giveaway. I appreciate you doing this for the community.

I deserve the gift award because I've been around on this site for a year so far and have no awards. I always try my best to be nice and help others in the community. I try my best to get rep but I'm not so good at that. I've always had a good attitude toward others even when they put me down. I've made a ton of friends from this community and will continue. Lastly I don't have much money to purchase awards. I would love if I win this award, it would mean a lot to me.

Happy New Year ? !!

~~((HACKER))~~ - December 27, 2015, 3:24 am

I deserve this award because I always try to be HQ.

I think, a Gift award will motivate me more to contribute to this community and will make me more HQ.

I always wanted to have a Gift award.

I hope, I'll win. Decision is in your hands. Good Luck everyone. :)

Thanks for hosting this contest.

Cruised - December 27, 2015, 3:28 am

everyone has an equal chance of winning this it's about how much time you put into your paragraph. First off I would like to thank you for giving everyone a chance to win this and that first sentence was just a decoy if you read this far I most likely didn't win

?MIN?M - December 27, 2015, 3:34 am

I would like to enter, because I want a cool little present image under my reputation. I feel the gift award would make me be a better person, like I might save the world or fix world hunger. Or it might just give me a temporary smile. I held the door open for like, 6 people today at the casino. And I stole 2 bottles of hot sauce so I wouldn't have to buy some from the store. So I saved gas, kept a hot sauce bottle out of the landfill, And supplied a reason for someone to have a job (whoever replaces hot sauce should thank me)

That's a paragraph. But I think paragraphs are supposed to end with conclusions, so in conclusion, I should get the gift award because I'm a decent person who thinks the image would be cool to have.

I know HF since a year, but i made this new account a week or few days ago to start my new like journey in HF. i got how awesome HF is when i myself started exploring it
i already made one contribution [<https://hackforums.net/showthread.php?tid=5107853>
/ --Instagram accounts Giveaway --/] in this week, and got really positive feedback
and will keep helping more,
and will do more giveaways as when i will make more.
i am active atleast 4-5 hours a day on HF since i have joined.
I will like to get L33T as gift. that will be proud moment for me [having class and having no class is different thing, doesn't matters which class i have, doesn't matter L33T or 3PIC]
I hope you find me Eligible for award.

Notoriously - December 27, 2015, 6:18 am

I deserve this award because I'm a new member and i'm awesome.
Just kidding. Give it to someone who actually deserves it!

Throw my name in the hat!

Prince™ - December 27, 2015, 9:24 am

I've been wanting to earn a gift award since a long time.

I don't really have much to tell you why. Lurk around my profile, if you like me drop me the award.
Else, it's all good. May the best deserved ones get it.

Good luck to all participants.

Prettykitty - December 27, 2015, 9:28 am

Would like the gift award because I wanted it for so long, entered many contests to win it but never won. I wish to give myself something for the holidays.

I have contributed a lot over the years on hackforums, and would love another award! :D

Voice Expert - December 27, 2015, 7:54 pm

Only a few more days left, enter now and I'll let you know the time I'm giving them away by the second of January

Epicur - December 29, 2015, 5:37 am

I believe I deserve the Gift award because I have been an active member on HF for a while now, and it's Christmas, so WHY NOT?

Thanks OP!
